Commissioner for Patents

The applicant has stated that they did not receive the office action of 07/14/2004 [sic]. They have submitted appropriate docket reports to support this assertion as set forth in MPEP 7111.03(c) II. The petition is sufficient to support the fact that the application should not be held abandoned and the final office action of 07/14/2004 will be remailed and the period for response restarted with that remailing. No notice of abandonment was mailed.
